

### **Vehicles**

Vehicles are not allowed on grassed areas and should remain on the car park unless instructed differently by site staff during your stay.

### **Fires**

Fires are NOT allowed on the ground, please use alter fires and bases provided.

### **Embers**

Please place all embers in the designated area next to the large skip on the top car park. If you are unsure of its location, then please ask a member of site staff.

### **Unused Wood**

Please return to the wood pile

### **Rubbish**

Please ensure you remove all rubbish from your camp/building and place it in the large skip on the top carpark. Please do not leave bags on the floor as animals may get in it.

## **Activities**

We will do our best to ensure that your booked activities go ahead. Please remember that our site staff and instructors are volunteers. Due to adverse weather our activities can be restricted. So, on occasion it may be necessary to cancel or postpone your booked activity at short notice. If your activity cannot be rescheduled by mutual agreement, then you will not be charged for it.

## **Questionnaire**

If anything arises from your stay at Ashworth Valley (good or bad) then please fill in the questionnaire or talk to a member of site staff.

NOTE ALL COMMENTS ARE APPRECIATED

## **Tuck Shop**

Please speak with site staff to arrange a time for your group to visit the tuck shop

## **Accidents**

ALL accidents small or big must be reported to site staff at the earliest opportunity.

## **Emergencies**

In the event of a fire or medical emergency please dial 999 if required. Please also let the cottage know about such an event. Our full address is below. In the event of a fire please assemble at the fire assembly point on Birtle Field by the flag pole. Please note where the defibrillators are located. One is located in the Service Team Hut entrance along with burn dressings, (your camp leader will have a key to this door), and one in the Pack Holiday Centre entrance.

Ashworth Valley Scout Campsite
